

## **Men's Prayer Breakfast September 11, 2010**

### **“Impact of 9/11 on Faith”**

1. Why did people crowd the churches in the weeks that followed the 9/11 tragedy? And why did the numbers fall drastically just weeks later?
2. Have you had a personal 9/11, and if so was your reaction short or long term?
3. We all have constraints on our precious time each and every day. What are your priorities? What is the role of God in your daily life?
4. Why are you at this prayer breakfast?

### Homework Assignment

Take some time and think about your relationship with God. Do you “talk” to Him only when you want something? Do you thank Him or even think about Him when things are going well in your life. How do you feel about this? Do you need to change your priorities?
