

3rd Grade – November Project

“Advent Wreath”

Objective: Students will create an Advent Wreath to help them count down the weeks of Advent.

Materials Needed:

- Paper plate (with center cut out to form a wreath shape and 3 purple and 1 pink pipe cleaner attached to form candles)
- Pre cut green tissue paper or crepe paper squares
- Glue
- Pen/pencil
- Flame pattern on gold paper
- Cotton swabs (used to spread glue)

Directions:

- Spread glue on plate working in small sections at a time
- Place center of a green square on the end of a pen cap or pencil eraser; bring the sides up and twist square then place on plate; continue working around plate until the wreath looks full
- Give each student 4 gold flames to take home and cut out so they can glue onto a pipe cleaner each Sunday of Advent

****THIS PROJECT MAY TAKE MORE THAN 20 MINUTES TO COMPLETE – YOU MAY WANT TO SPLIT IT BETWEEN 2 CLASSES****
