

4th Grade – November Project

“Advent Chain”

Objective: Students will create an Advent chain to help them countdown to Christmas Day as well as perform daily activities during Advent.

Materials:

- 3 sheets of colored paper with lines marked
- 3 pages of Daily Advent strips
- Glue stick/glue/tape
- stapler

Directions:

- Have students cut colored paper into strips
- Have students cut the pre-printed “daily” strips
- Glue daily strips onto colored paper strips
- Fold strips into links, starting with the first date and staple links (in date order) to one another
- Each student will take chain home and hang it in a prominent place. Encourage students to pull off links daily and follow activity
