

5th Grade – December Project

“My Christmas Prayers Ornament”

Objective: At Christmas time we welcome baby Jesus and offer prayers for ourselves and others to Him and thank Him for all his blessings.

Materials:

- Clear plastic ball ornament
- Ribbon
- Multicolored construction paper cut in strips
- 2x2 construction paper squares
- Markers or pens

Directions:

- Students will write petitions on strips of paper (examples: for my mom and dad...; for the military...; for my teachers...)
- Fan fold strips and stuff the into the ornament
- Put the ornament back together
- Write name and year on one side of the construction paper square and “my Christmas prayers” on the other side
- Slide square onto ribbon and thread ribbon through hole and tie into a bow
