

WELCOME TO OLM!

Thank you for choosing Our Lady of Mercy Catholic Church as your faith community.

All new parishioners are registered at a Welcome Meeting held once a month in our Parish Life Center. In order to register at Our Lady of Mercy Catholic Church you will need to attend a Welcome Meeting. Below is a list of dates that the Welcome Meeting will be held. Please allow time to learn about the many services and opportunities we have to offer. Each hour-long meeting will consist of an introduction to our parish by our Pastor, Father Hugh Fullmer, information regarding the many organizations and the services we provide, and the completion of the registration paperwork.

Please note that sacraments such as baptisms and weddings can not be scheduled until after you have completed the registration process.

The Welcome Meeting begins promptly at 11:00 am followed by coffee and refreshments in the Multi-Purpose Room. (Do **not** attend 10:45 Mass as you will miss the meeting.)
